

Peace of Mind for the Systems That Keep Your Home Running

HomeServe is your trusted partner in providing quality, affordable repair solutions for your home's vital systems, including plumbing, electrical and HVAC. With a full suite of valuable, optional protection plans available, eligible homeowners can choose the protection that suits their home's individual needs.

One call to the 24/7 emergency hotline gets your repair started. A local, licensed contractor will be promptly sent to diagnose and handle the problem and you'll have no out-of-pocket bill on covered repairs up to the benefit amount.

Plan Offerings (availability may vary by location):

-  **Exterior Water Service Line**
Helps homeowners protect against the high costs of water line repair and replacement.
-  **Exterior Sewer/Septic Line**
Helps homeowners get clogged or damaged sewer and septic line pipes repaired with a plan.
-  **Interior Plumbing & Drainage**
Helps keep the vital plumbing pipes in the home protected against covered emergency breakdown costs and hassles.
-  **Water Heater**
Helps homeowners get their hot water supply back up and running quickly when they're protected with a plan.
-  **Heating**
Ensures homeowners' heating systems are guarded against surprise covered repair costs.
-  **Cooling**
Helps homeowners protect against unexpected covered cooling system breakdowns and get back to cool comfort promptly.
-  **Interior Electric**
Homeowners can power through covered interior electrical line problems with a plan.
-  **Exterior Electric**
Helps homeowners protect against covered exterior electrical line breakdowns caused by age- and weather-related corrosion.
-  **Appliances**
Helps homeowners get their broken kitchen and laundry appliances back up and running when breakdowns happen.

HomeServe USA Repair Management Corp., Norwalk, CT.

Plans cover repairs, up to the benefit amount, for damage typically from normal wear and tear to covered items. Plans subject to eligibility requirements, waiting period, exclusions and coverage limitations. Call or go online for full terms.
